Woodstock Church of Christ

WEEKLY

Vol. 23 No. 2

January 11, 2015

Welcome to the Lord's church that meets at Woodstock, Georgia. We find our authority in the inspired word of God and are governed in organization, faith, worship and work according to God's Holy Word.

Read Through the Bible in 2015 -Eric Doston, Deacon

It has been an exciting start to the New Year with the Bible in a Year reading program. Based on conversations, social media and discussion in bible class many are participating in the program. It would be encouraging to us all to know how many are participating in the program. We had the idea to create a bookmark program to track our progress as a congregation on how we are doing with the Bible reading program.

Here is how the program will work: Bookmarks for each month will be available at the visitor's desk for the bible in a year program. The Bookmarks will contain all of the daily scriptures for the month. Please use them during the month to follow the reading schedule. Once you have completed the readings for the month check the bookmark as complete and turn it back in at the visitor's desk. We don't need your name on the bookmark just that the reading was completed. There are no deadlines just turn in the bookmark whenever you finish whether you finish before the end of the month or you finish several months later. We will publish the results in the bulletin monthly of how many of us have completed each months reading. We hope this will be a great encouragement to all who are participating.

Let's be social!

The Woodstock Church of Christ is a very Social place, stand up at the front of the auditorium some Sunday morning and it is evident that we love to visit and fellowship with each other. I wanted to share with you some other avenues that are available to everyone to continue our fellowship on some of the social networks. The following is a list of the Facebook and Twitter addresses that have been created for the congregation as a whole as well as many of the groups within the congregation. If you have not joined these groups please do so as many events and communications are shared on a daily basis. The Twitter account is new, if you follow us on Twitter you will get a daily Tweet for the scripture of the Bible in a year program. The web site will also be updated soon with some additional content as well as a blog post. While it may not be practical to see each other on a daily basis, we can see each other via Social media and encourage each other in our daily walk to be better Christians.

Email

The church office sends a daily prayer list. To be included in the daily prayer list email, please send your email address to info@woodstockchurchofchrist.org.
