Employment Resources Web Page

During this time of an unstable employment, the Woodstock church family is dedicated to serving its members and this community. Each of us should be attentive to the unemployed and those who are in danger of losing their jobs. A very simple and easy way to minister to those in need is to say, "You really need to visit the Woodstock church of Christ web page. Look at all the employment resources that we've put together in one place. Then, tell your friends to visit us also." You'll be helping them out as well as exposing them to the church at the same time.
