Thank You

Dear Brethren:
Sunday was truly an exciting day for the Chapman family! Thanks to each of you for making it a memorable day for all of us. What better place than Woodstock to close a month of special events! Thank you for the honor of preaching at Woodstock once again, and for Brother Amos relinquishing the pulpit for me to do so. Thanks to Bro. Mike for a super job in leading songs that I requested. Burma was pleased with all of the birthday wishes! Special thanks to the elders and the "Fund Committee" for bringing this matter to fruition. May God continue to bless you in the great work you are doing for His cause.

In Him, Forrest Chapman

Woodstock Church of Christ

WEEKLY

Vol. 22 No. 14

April 6, 2014

Welcome to the Lord's church that meets at Woodstock, Georgia. We find our authority in the inspired word of God and are governed in organization, faith, worship and work according to God's Holy Word.

OBEDIENCE AND LONG LIFE!

This idea is found first in the Old Testament (Deuteronomy 5:16): "Honor your father and your mother, as the Lord your God has commanded you; that your days may be prolonged, and that it may go well with you in the land which the Lord your God gives you." The meaning here is, that they would be more happy, useful, and virtuous if they obeyed their parents than if they disobeyed them.

In the commandment, as recorded in Exodus 20:12, the promise is, "that your days may be long upon the land which the Lord your God gives you." This referred to the Promised Land of Canaan. The meaning is that there would be a special providence falling to those who were obedient to parents. The apostle Paul, in Ephesians 6:3, repeats that promise and says that obedience to parents was connected at all times with long life. None can doubt that obedience to parents' results generally in longer life because obedient children are kept from those things that often shorten life (drinking, smoking, drugs, etc.). None would direct his child to be a drunkard, a gambler, or a murderer. But these things that generally result from being disobedient to parents, very frequently cause premature death. No disobedient child can have any assurance that he or she will not fall into such things. Obedience to parents then will help assure long life. It will cause and teach one to know how to control ungodly desires that may lead to self-destruction, e.g., the use of drugs, alcohol, evil companions, etc. that often bring about early death. More especially, one who is disobedient to parents violates the commandment of God and sins thereby, and that sin will result in loss of the soul, if a change (repentance) is not forthcoming! It's interesting how many times the significance of this is not readily understood until children become parents! Parents, feel free to share this with your children!

~Matt
