### A Note From Bryan... How Well Do You Sleep?

How well do you sleep at night? I picked up a copy of *Time* magazine in the doctor's office the other day. There was a great article on sleep. Americans are having trouble sleeping. I have had friends who have joined sleep studies due to problems sleeping. I know several individuals have to have machines to keep them breathing at night because of a disorder known as *apnea*. Aside from the occasional medical disorder for sleeping others have trouble sleeping because of the stress level in their lives. Many people lay their head on their pillow at night worried about what happened at work and how it might affect them tomorrow.

In Proverbs 3:19-26 the wise man says that keeping sound wisdom and discretion will lend itself to a good night's sleep. Verse 24 says, "Yes, you will lie down and your sleep will be sweet." The wise man was not writing Law, he was writing general truths for success. Sometimes we need professional help to sleep better or maybe even medical attention. At other times we can do ourselves a world of good just by treating others right and living a good example. When you have behaved in a Christian way all day you can put your head on your pillow at night and sleep well. Sweet dreams!
