Members Woodstock CofC,

Thanks so much for all the cards, thoughts and prayers we received during this difficult time. Thankfully, the surgery went well and Paul's prognosis is good. He's in the recovery phase now and a bit impatient to get better quickly. It was especially nice to know how much you enjoy and love our daughter Shawna and her family. We agree they're wonderful! Thanks again for keeping us in your prayers.

Woodstock church of Christ

WEEKLY

Vol. 21 No. 24

June 16, 2013

Welcome to the Lord's church that meets at Woodstock, Georgia. We find our authority in the inspired word of God and are governed in organization, faith, worship and work according to God's Holy Word.

LAST DAYS

In the second chapter of Acts, we read of a prophecy spoken by the Old Testament prophet Joel (Chapter 2). In Verse 17, we learn that the events that occurred on this day of Acts 2 (the day of Pentecost) were "that which was spoken of by the prophet Joel (Verse 16)." In other words the events of that day, including the establishment of the church, were the fulfillment of Joel's prophecy. The prophecy we are told, in Acts 2:17, was to "come to pass in the last days." We can then know for certain that the church was established in the "last days," since it was established at that time (Acts 2:47). The "last days" in the Bible simply refers to the Christian dispensation, i.e., from Pentecost until the general resurrection and judgment of all that have ever lived. Many places in the New Testament show that the "last days" included that first generation after Christ, e.g., 2 Timothy 3:1; Hebrews 1:2; 1 Peter 1:20; and 1 John 2:18 and must logically, therefore, include the days in which we live! There will be no days after these "last days," otherwise these would not be the "last days!" One may, therefore safely and logically conclude, on the basis of this scriptural fact, that there will not be 365,000 days (1000 years) "after" these "last days". For if there were to be a final period of 365,000 days, it would then be the case that we are now living in the next-to-last days, which is taught by those who hold to the premillennial/rapture theories! This would negate the truth of Acts 2:17 that we are "now" living in the "last days".
