Woodstock church of Christ

WEEKLY

Vol. 18 No. 25

June 20, 2010

Welcome to the Lord's church that meets at Woodstock, Georgia. We find our authority in the inspired word of God and are governed in organization, faith, worship and work according to God's Holy Word.

A Note From Bryan. . . Happy Father's Day

Welcome. I hope that you will have a great Father's Day and that you are planning to show your father how much you appreciate him and his influence in your life. Too often today Fathers are portrayed as unnecessary and as childish buffoons. This is sad because a Father's positive influence is definitely lacking in our society. Among our number are a good number of good Fathers who have used their influence properly to raise little boys and girls to become independent, responsible young men and women. There is so much good that could be said for the place of a Godly man in God's plan for the home and the family. Men, do not squander this opportunity to mold and shape society by being the head of the home that God intended for you to be.

Leaving the subject of Father's Day and I hope that our fathers won't feel slighted, I felt compelled to share something extremely important with you. As most of you know, I was absent last week to hold a meeting for the Woodlawn Church of Christ in Florence, Alabama. Woodlawn, due to a number of circumstances in their congregation, has developed an outreach program entitled, "Christ Over Cancer." For over two years now Woodlawn and other Christians around the country have united to form this ministry because of so many among us enduring the ravages of this dreaded disease.

If you or a loved one is struggling through endless treatments and needing encouragement please log on to their website, <http://home.comcast.net/~woodlawnchurchofchrist/Home.html> click on the "Christ Over Cancer" icon and you will be directed to a blog. On the right side of the screen at the top of the page there is a link to their 2nd Edition of their "Christ Over Cancer" booklet that is filled with encouraging stories of survival. I believe you will be strengthened and encouraged by the efforts of these good brethren. The originator of this program is brother Marty Gray who is himself a cancer survivor and a member of the Woodlawn congregation.
