Woodstock Church of Christ

WEEKLY

Vol. 22 No. 25

June 22, 2014

Welcome to the Lord's church that meets at Woodstock, Georgia. We find our authority in the inspired word of God and are governed in organization, faith, worship and work according to God's Holy Word.

India Missions Month

"I (Ron Clayton) have been in the India work for 35 years. I have driven (& flown) many thousands of miles to beg for money to help those in India to know about Christ & His church. And that is what we missionaries are—"glorified beggars"! One brother (years ago) told me I should not call myself a beggar, because I am doing the Lord's work. Calling myself (& other missionaries) something else does not alter the fact that begging is what missionaries do when we visit churches to ask for help in doing the Lord's work! I have been a preacher for 52 years. This August, I will have my 70th birthday. I was a local preacher for 20 years— some of my 35 years involved with India overlap with local work. Over the years, preachers learn how to read the faces in their audiences! Experts claim that about 93% of communication is non-verbal. Facial expressions, body language, tone of voice— all say more than we think. For the most part, I can tell— from looking at my audience—who will help & who won't! Here's a little statistic that is scary— & may say more than we are prepared to accept. Experts say that on any given Sunday, in ANY "Christian" worship service, 50% of those in attendance do not give a dime! Giving is part & parcel of being a Christian. It is a proof of our love (II Cor. 8:1-5, 8, 24). God gave His son; Jesus gave His life. How can we withhold from God that which is already His? Everything we have belongs to God! When a missionary asks for money, he is really asking for the good money can do. Money helps get the Gospel to those who really want to hear it. And there is no place on earth where people want to hear it more than in India!" (India Ink, May 2014).
