Woodstock Church of Christ

WEEKLY

Vol. 22 No. 26

June 29, 2014

Welcome to the Lord's church that meets at Woodstock, Georgia. We find our authority in the inspired word of God and are governed in organization, faith, worship and work according to God's Holy Word.

WORKING TOGETHER IN WOODSTOCK AND INDIA

In the last (nearly) three years there has been a significant increase in personal involvement in our congregation, not only in the India work, but also in many other areas of evangelism. The number of visits, Bible studies, and other involvement that we have experienced has been remarkable and is seen in the warm relationships and fellowship that best defines our Woodstock family. Our past support of the India work has, as well, been noted, not only financially, but by having our own folks periodically on site in India to work with the Clayton team in the proclamation of the Gospel.

Although there is much to be thankful for in this regard, there remains a cry for more workers and more personal support for India and for our area as well! A team has been put together from our congregation for an extensive effort this coming January in India, so there is a need for helping with those costs, in addition to the immediate \$10,000 needed to maintain our present efforts there through the Ron and Kyle Clayton families.

We certainly want to thank those individuals that have worked so hard to make this growth possible, especially seen in the love and spirituality throughout our congregation. However, the work is not done and the goal has not been realized until the eternal rest appears for the faithful. As the work continues, it also grows in volume, creating additional need for more workers and involvement. And for those involved and committed to the work here and in India, may God continue to bless you as you go and grow!

Remember all, we need the Lord and He needs us! "And whether one member suffers, all the members suffer with it" (I Corinthians 12:26). We (all of us) must be "workers *together* with Him." (II Corinthians 6:1)! How about you? Are you truly involved and committed? For those not involved, nor fully committed, may God bless you through His Word to do so. Remember our special contribution for India today! And as Moses said to Hobab, "We are going to a place of which the Lord said, 'I will give it you: come with us and we will do you good'" (Numbers 10:29)!

-Matt
