\$1,210

To contribute, make checks payable to WCOC and note for Woodstock Mission Travel Fund.

Thank You!

The family of Norma Beckett wishes to thank you for the beautiful basket of flowers you sent to honor her passing from this life on Sept. 8, 2015.

Your kind expression of sympathy is greatly appreciated.

After the funeral, your beautiful arrangement was taken to the nursing home she had been a resident of for nearly nine years. We wanted the staff & her former residents to get to enjoy them.

Thank you again, for your thoughtfulness!
Lynette Chacalos (Linda Grady's sister)

To Our Church Family,

I want to thank you for the beautiful flowers that were sent to my dad's funeral, they were beautiful. Also, many thanks for all the cards, calls, messages, and prayers me and my family received throughout daddy's sickness and passing. Mama and daddy would always call me when they received a card and want me to know who they were from. It would always cheer them up. We are so lucky to have such a caring church family. We love each and everyone of you.

Love

The Stephens & Sonny Hill Family

Woodstock Church of Christ

WEEKLY

Vol. 24 No. 40

October 4, 2015

Welcome to the Lord's church that meets at Woodstock, Georgia. We find our authority in the inspired word of God and are governed in organization, faith, worship, and work according to God's Holy Word.

SOCIAL DRINKING?

For you were bought at a price; therefore glorify God in your body and in your spirit, which are God's (I Corinthians 6:20). From liver disease to ulcers to dementia, an almost endless list of health problems have been linked to the drinking of alcohol. It is a toxin that severely affects the central nervous system when ingested. Most learned people know that even moderate "social drinking" destroys brain cells and is a leading killer in the United States. Even the strongest advocate of alcohol must honestly admit that its consumption certainly does not glorify God in their body; instead, it slowly destroys body and mind.

Authorities state that approximately one in sixteen people who ever take a social drink will become an alcoholic! Would you even step foot on an airplane if you knew there was a one in 16 chance that it would crash and end your life? It is also a well-documented fact that drinking even the smallest quantity of alcohol impairs reactions and weakens normal inhibitions. Put simply: it lowers a Christian's resolve to resist temptation. Why, then, would any Christian want to make it easier for the devil to snare them?

An anxious mother approached her minister and said, "Preacher, talk to my daughter about drinking. She came home last night and fell sprawling on the floor—too drunk to get up. I just cried the rest of the night."

"Have you spoken with your daughter yet?" the preacher questioned.

The mother said, "Preacher, I can't talk to my daughter about it, because I am to blame. I wanted her to be like me, so I gave her a glass of wine for the first time and on occasion after that, but I didn't dream that she'd ever become a drunkard. Please speak to my daughter. I just can't talk to her."

It is a sad fact that all over this nation many fathers and mothers are re-living this exact same sinful scenario, leading their children to spiritual and physical destruction - Matthew 18:6! Christians who drink alcohol have tarnished the image of their Lord and their own Christian character to the outside world—as well as to those in the church.

And the ones who are hurt the most are the children. 16,000 alcohol related deaths a year occur on highways in the United States. All of them began as social drinkers who thought that they could control it!

-Matt
